

Wreningham VC Primary

1 Corinthians 12:12, "There is one body but it has many parts. But all its many parts make up one body."

Admissions Policy

Introduction

The administration and management of admission arrangements to Norfolk schools is dealt with by Norfolk County Council. The reception admissions policy and criteria for each school, together with an online application form, are available from the county council admissions team via the following link: <https://www.norfolk.gov.uk/education-and-learning/schools/school-admissions/admissionto-reception-classes>

Admissions Criteria for Reception

The governors agree to accept the policy guidelines on admissions produced by Norfolk County Council. The school will enrol pupils up to its agreed overall capacity and annual admissions limit.

All children must start statutory education full-time at the beginning of the term following their fifth birthday. Parents are entitled to defer their admission or request that their child attend on a part-time basis (mornings only).

Over subscription rules for first admissions.

If there are more applications for places than there are available, we will give preference to children living nearest to the school, according to the following rules in this order of priority:

Children who are due to start school and:

1. Have an EHCP (Education Health and Care Plan) which names the school
2. Are in public care or have been adopted from public care
3. Live in the catchment area and have a sibling attending the school at the time of their admission
4. Have a disability and live in the catchment area
5. Live in the catchment area
6. Live outside the area served by the school who have a brother or sister with an EHCP attending the school at the time of their admission
7. Live outside the catchment area who have a sibling attending the school at the time of their admission
8. Have a disability and live outside the catchment area
9. Are children of staff
 - a) where a member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made and/or
 - b) the member of staff is recruited to fill a vacant post for there is a demonstrable skill shortage
10. live outside the catchment area served by the school and have no sibling connection with the school

The school's catchment area is: Wreningham, Ashwellthorpe and Fundenhall.

If all children within any of the above rules cannot be offered a place, the highest priority will be given to children living nearest to the school within that rule. To determine who lives nearest, distance will be measured on a straight line "crow fly" basis, using Ordnance Survey data. The address will be measured from the post office address point on the property.

In the unlikely event that distance does not separate the final two or more pupils seeking the last remaining place, a random allocation will be used to determine who is offered the final place.

Joining the School in Reception

Starting school is a very exciting time for pupils and parent. The school will work with parents individually to ensure it is both positive and rewarding. Pupils are admitted to Wreningham VC Primary School in the September of the academic year in which they are 5. During the previous summer term, children are invited to join us for several 'taster' sessions to support them to become familiar with the routines and environment of the school. There will also be a New Intake meeting where parents will be informed of our day-to-day procedures and what their child(ren) might experience during his/her first few months at school.

In-year Applications (moving schools)

If a family have moved to the area or surrounding area, a place can only be offered in the school if there is one free in their child/children's age group. Parents should always apply for a school place through the Local Authority's School Admissions Team at

<https://www.norfolk.gov.uk/education-and-learning/schools/school-admissions/movingschools>

If you are refused a place at this school, you have the right to appeal to an independent panel. Information on how to appeal will either be sent to you with your refusal letter, if a first admission or details can be found on the Norfolk County Council website, the address can be found in the introduction.
