Definition and purpose

This policy aims to provide clear guidance to *Wrenningham VC CE Primary School* colleagues and partners in the commissioning of 'unregulated' alternative provision [AP]. The term 'unregulated' (also referred to as unregistered) to define an AP setting which is not a registered school or college (for pre-16 pupils). There are, however, unregulated AP settings which are registered for post-16 and also offer education/training to school-age pupils.

Unregulated AP settings may deliver an educational, (academic and/or vocational), social, emotional, physical and/or sensory offer, during the school day, where that provision cannot be met in school.

Typically, unregulated AP settings are used to provide alternative education or training to pupils to complement their timetable and core offer in school. Current government guidance does not always differentiate between **regulated or registered AP** (e.g., an alternative school setting for a pupil who has been permanently excluded from school, such as a pupil referral unit or short-stay school, or a hospital school) and **unregulated AP** (e.g., where a young person may access a vocational course for 1-2 days per week). Pupils accessing unregulated AP remain on the roll of their home school. The guidance states:

- *Local authorities are responsible for arranging suitable education for permanently excluded pupils, and for other pupils who – because of illness or other reasons – would not receive suitable education without such arrangements being made.*
- *Governing bodies of schools are responsible for arranging suitable full-time education from the sixth day of a fixed period exclusion.*
- *Schools may also direct pupils off-site for education, to help improve their behaviour.*
- *Statutory guidance sets out the Government's expectations of local authorities and maintained schools who commission alternative provision and pupil referral units. The Government expects those who are not legally required to have regard to the statutory guidance to still use it as a guide to good practice.²*

² [Alternative Provision Statutory guidance for local authorities; January 2013](#)

Power of schools to direct a pupil off-site for education to improve behaviour

- *Governing bodies of maintained schools have the power to direct a pupil off-site for education to improve his or her behaviour. The Secretary of State has made regulations, as is required by the related primary legislation, concerning schools' use of this power.*
- *Under revised off-site regulations, the governing body must:*
 - *ensure that parents (and the local authority where the pupil has a statement of special educational needs) are given clear information about the placement: why, when, where, and how it will be reviewed*
 - *keep the placement under review and involve parents in the review. The regulations specify regular reviews but do not specify how often reviews must take place (that should be decided on a case-by-case basis). Reviews should be frequent enough to provide assurance that the off-site education is achieving its objectives and that the pupil is benefitting from it; and have regard to guidance from the Secretary of State on the use of this power – new statutory guidance on this issue can be found below at paragraph 41*
- *This legislation does not apply to Academies. They can arrange off-site provision for similar purposes under their general powers, set out in the Academy Trust's Articles of Association. Though the regulations and guidance do not apply, they can provide Academies with an example of good practice.³*

As above, schools may commission off-site alternative provision (registered or unregistered) to improve behaviour, help prevent a suspension or permanent exclusion, or arrange suitable education for a suspended pupil (from the sixth school day of a suspension or permanent exclusion) under section 100 of the Education and Inspections Act 2006. Governors and Headteachers must adhere to the regulations set out in [School suspensions and permanent exclusions - GOV.UK \(www.gov.uk\)](#). For further detail on the use of off-site direction to improve behaviour, see the Norfolk County Council Directory of Unregulated Alternative Provision at [Unregulated alternative provision templates - Schools \(norfolk.gov.uk\)](#).

Pupils who may benefit from unregulated AP are often within the most vulnerable cohort. They may have special needs (with or without an EHCP), medical needs, attendance difficulties, challenging behaviour, a social worker, be suspended (after day 6), at risk of permanent exclusion, in care and/or known to supporting agencies such as the Youth Justice Service for example.

Unregulated AP settings are not inspected by Ofsted or any other national body, though Ofsted inspectors may visit an unregulated AP setting as part of a school's inspection (see [Ofsted](#)).

The lack of a set of national standards or inspectorate, and the fact that it is often the most vulnerable pupils who access such provisions make it imperative that the commissioning of unregulated AP is carried out in the best interests of the pupil, with safeguarding as a priority. This policy aims to ensure that all Wreningham VC CE Primary colleagues involved in the commissioning of unregulated AP follow correct procedures.

Ofsted

During an Ofsted inspection, the following will apply. Numbers and page references in brackets refer to the [School inspection handbook - GOV.UK \(www.gov.uk\)](#) and [Independent](#)

³ [Alternative Provision Statutory guidance for local authorities; January 2013](#)

[schools inspection handbook - GOV.UK \(www.gov.uk\)](#) (*paragraph numbers in italics for the latter – delete as appropriate*). Note that this is a summary only; further detail can be located via the inspection handbooks and the Norfolk County Council Directory of Unregulated Alternative Provision

1. **Information request (86/72, 92):** The lead inspector will request information about any off-site AP during the initial telephone conversation. In order that this information is readily available, Wreningham VC CE Primary will maintain an accurate and up to date register/log of all pupils attending off-site AP. Responsibility for ensuring that this record is up to date is overseen by the headteacher. The register will include (as a minimum) names of pupils, year groups, key information (e.g., EHCP, LAC, EAL etc.), AP attended, key contact, address, days and times, the core purpose(s) of the provision.
1. **Parent carer views (99-100):** Ofsted provide a letter to pass on to parent carers to notify them of an inspection. The headteacher will ensure that the parent carers of all pupils attending off-site AP receive this notification.
2. **AP contact/visits (100, 287, 363/228, 252, 317-319):** The Headteacher will ensure all unregulated AP settings commissioned by the school are informed of an inspection. In some cases, inspectors will telephone or visit an unregulated AP setting to verify that Wreningham VC CE Primary leaders have ensured the placement is safe and appropriate.
3. **Registration status⁴ (362/318, 322):** Inspectors will ask the school about the registration status of any APs that they use. Any provider of AP must be registered as an independent school if it caters *full time* for 5 or more pupils of compulsory school age, or one pupil who is in care and/or has an education, health and care plan [EHCP]. Wreningham VC CE Primary will ensure that the registration status of any unregulated AP has been checked to ensure that it is not using a provider operating as an illegal school. If the school uses AP that should be registered but is not, inspectors will carefully consider whether this affects the likelihood that pupils are safeguarded effectively. If the school uses an unregistered provider unknown to Ofsted, the inspector will inform the duty desk of the Ofsted unregistered schools team.
4. **Rationale (365/321):** Inspectors will consider the appropriateness of the commissioned placement(s), whether leaders at Wreningham VC CE Primary have ensured that appropriate checks have been carried out, the extent to which the pupil(s) benefit from a broad and balanced curriculum if they attend off-site AP, and the attendance, behaviour and personal development of those pupils.
5. **Ofsted judgements (266, 367; pp90-92; pp95-97/323; pp79-81; pp83-85):** Most importantly, inappropriate or insufficient checks on the commissioning of unregulated AP may have serious consequences for the safety of a child. In addition, this may also negatively impact on an Ofsted inspection judgement. Wreningham VC CE Primary recognises that ineffective or inappropriate checks may lead to an inadequate judgement for leadership and management. Likewise, if pupils attending unregulated AP behave poorly or are unsafe, this may result in an inadequate judgement for behaviour and attitudes.

Safeguarding

There are currently no formal safeguarding requirements for safeguarding training in unregulated AP settings. Commissioning schools are required to check safeguarding arrangements at each unregulated AP setting used. Wreningham VC CE Primary will use the document **01 Pre-placement visit record**⁵ ([Appendix 1](#)) to ensure that all safeguarding checks have been carried out pre-placement.

[Keeping children safe in education 2022 \(publishing.service.gov.uk\)](#) requires the following:

327. Where a school places a pupil with an alternative provision provider, the school continues to be responsible for the safeguarding of that pupil and should be satisfied that the provider meets the needs of the pupil.

*328. Schools should obtain **written confirmation** from the alternative provision provider that appropriate safeguarding checks have been carried out on individuals working at the establishment, i.e., those checks that the school would otherwise perform in respect of its own staff. (See [Appendix 7](#))*

Wreningham VC CE Primary will ensure that all unregulated settings commissioned are provided with the following key information. This may be recorded using the document **02 Initial Referral and Admissions** ([Appendix 2](#)) or Service Level Agreement.

- a) Name and contact details (telephone and email) for the school's Designated Safeguarding Lead
- b) Clear Service Level Agreement on how safeguarding concerns will be communicated, followed up and by whom; and how regular communication between the school and unregulated AP will be assured. [Appendix 2](#) may also be used for this purpose.

Pupils attending unregulated AP may feel more at ease and therefore make disclosures more readily. It is therefore essential that the school and AP setting agree procedures before any placement starts. It may be good practice for *Pupils attending off-site AP* to be a standing agenda item for DSL meetings, to ensure that colleagues responsible for safeguarding are able to address issues and identify any patterns or trends.

Wreningham VC CE Primary will ensure a risk assessment is undertaken before the child starts which assures the school that there are appropriate safeguarding arrangements in place. A schedule of visits should be implemented to provide ongoing assurances that the unregulated AP is appropriate for the child and safeguarding arrangements in place are robust.

Wreningham VC CE Primary will gain assurances from the unregulated AP in relation to their safeguarding policy, and procedures, the training attended by staff and that appropriate safer recruitment checks have been undertaken as required in part 3 of [Keeping children safe in education - GOV.UK \(www.gov.uk\)](#) See also [Appendix 7](#).

Pupils attending unregulated AP should know how to report worries or concerns and to whom. This should be the same for their parents or carers. There should be a relationship where children can talk freely to all members of staff if they are concerned or worried. Children will be reassured that they are safe and everything they say is taken seriously.

Wreningham VC CE Primary will ensure that relevant staff have regular communication with the child to give them the opportunity to share what is going well and ask if they have any concerns.

Attendance

It is essential that the unregulated AP setting communicates attendance on a **daily** basis. Agreement on how and at what time this will be done must be reached and recorded pre-placement (see [Appendix 2](#) or use the Service Level Agreement). It is not sufficient for an AP setting to only communicate absence; schools must be informed of positive attendance within 30 minutes of the pupil's planned arrival at the AP (unless accompanied by a member of school staff).

Pupils attending an off-site **registered** AP school (such as a PRU or hospital school) should be coded as D as they will be temporarily dual-registered.

Pupils attending off-site unregulated AP where there is **face-to-face, supervised provision**, should be coded as B in the register, but only once the AP setting has confirmed daily attendance. The register **must not** be flood-coded ahead of time.

Some pupils may be accessing online provision which is not face-to-face (even on screen); this should be coded as C.

Further detail and guidance is available at [Working together to improve school attendance - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/publications/working-together-to-improve-school-attendance)

Pre-placement

Pre-placement, Wreningham VC CE Primary will ensure that the following checklist has been met:

- a) Liaison with all relevant stakeholders (including the pupil, parent carer, EHCP Coordinator, social worker, Virtual School Advisor for Children in Care, health professional etc.) to ensure that the planned provision is in the best interest of the child
- b) Following initial contact with the AP setting, a site visit and record using the **01 Pre-placement visit record (Appendix 1)**
- c) Completion of the **02 Initial Referral and Admissions (Appendix 2)** form to include the following:
 - a. Key pupil details
 - b. Emergency contacts
 - c. Agreed course offer, start date, length of course including a taster day if appropriate
 - d. Agreement that the pupil will attend **no more** than 4 sessions (2 days) per week, to avoid any risk of the setting being deemed an illegal school (see above and also the Norfolk County Council Directory for more information)
 - e. Key professional contacts
 - f. Core aims and objectives of the placement
 - g. How progress will be monitored and communicated back to *[name of school]* (when, how, how often)
 - h. If and how the placement contributes to the pupil's post-16 plans
 - i. SEND/EAL needs of the pupil, including relevant EHCP targets as appropriate
 - j. If appropriate, links to the pupil's Individual Healthcare plan; GP contact details
 - k. Youth Justice Service contacts if appropriate
 - l. How **daily** attendance will be reported back to *[name of school]*, procedures for non-attendance
 - m. School DSL contact details and agreement for the recording and communicating of safeguarding concerns
 - n. Photo consent

- o. Behaviour expectations which are in line with the school's own policy (i.e., no smoking etc.); the **04 Learner Code of Conduct (Appendix 4)** may be used. How will behaviour incidents (including praise and positive feedback) be communicated? How will such feedback contribute to *[name of school's]* tracking system for behaviour (and impact on rewards if, for example, reward trips depend on a number of positive points earned)
- p. Risk assessment
- q. Agreement of what will happen if the pupil is suspended from school and the suspension impacts on the days during which they would normally be at the AP
- r. Equipment, clothing required
- s. Contact with animals and any relevant risk assessments
- t. Transport
- u. How lunches and/or snacks will be provided; especially if the pupil is in receipt of Free School Meals, and/or if they have a food allergy/intolerance/are pregnant etc.
- v. How the setting/school will communicate with parent/carers
- w. If a TA or other school colleague will accompany the pupil, their contact details and what will happen if that colleague is absent for any reason
- d) If relevant, a pre-placement baseline assessment (helpful if the placement is for social, emotional and/or to improve behaviour). Suggestions are available in the document **03 Pre-placement baseline (Appendix 3)** if the school does not already have a social and emotional tracking system in place.
- e) Funding: additional funding may be available to the school for an AP placement. Please refer to [SEND funding - Schools \(norfolk.gov.uk\)](https://www.norfolk.gov.uk/schools/send-funding) for further guidance
- f) The operational lead for the oversight of pupils attending off-site AP will ensure that all relevant documentation (including emails) are stored centrally at *[name system/drive etc.]* to ensure access as required. Access to key information should depend on the system, not a person.
- g) *[Name of school]* understands that when AP is commissioned to meet the specific needs of a pupil, they have the responsibility to ensure that the pupil is not disadvantaged in respect of being kept safe, attendance or educational outcomes, including personal development (access to visits and trips, for example).

Mid-placement

Pre-placement, Wrenningham VC CE Primary and the AP provider will have agreed the frequency and method of progress reporting. This should take place at least once every half-term.

During the placement, a school colleague will visit the pupil on site and observe them undertaking the activity. A record of this visit should be logged on the form **05 Alternative Provision Progress visit record (Appendix 5)**.

Where possible, the pupil's perspective and views should be recorded on the form **06 Mid or End of placement evaluation (Appendix 6)**. If special needs are a barrier to communication, other methods may be appropriate (such as photographs showing that a non-verbal pupil is happy and engaged, for example).

Parent carers and the centre lead at the provision (or relevant tutor or key worker) should also complete form **06 Mid or End of placement evaluation (Appendix 6)**. If relevant, other professionals (such as an EHCP Coordinator or Virtual School for Children in Care Adviser) may also contribute their views.

Evaluations and placement evidence may be shared during PEPs or EHCP reviews as appropriate.

If the mid-placement visit record and/or evaluation show that changes are required to the offer, such as the type of activity, days or times attended etc., then this should be reviewed, and the initial admissions form amended to reflect the changes.

Any pre-placement baseline assessments may be repeated mid-placement to demonstrate progress.

End of placement

At the end of the placement, the form **06 Mid or End of placement evaluation** ([Appendix 6](#)) should be completed by the school, pupil, AP setting and parent/carer. If relevant, other professionals (such as an EHCP Coordinator or Virtual School for Children in Care Adviser) may also contribute their views.

Any pre-placement baseline assessments may be repeated at the end of the placement to demonstrate progress.

Governance

Wreningham VC CE Primary will ensure that there is effective governance and oversight of the school's commissioning of unregulated AP. The nominated governor/trustee is named on the front of this policy.

The nominated governor will monitor Wreningham VC CE Primary use of unregulated AP via the Headteacher's termly report to governors (if a section for this does not pre-exist, it is recommended that it be added) and via the operational lead for this area of work.

The nominated governor will ensure that this policy is updated annually, in line with national and local guidance.

This can be revisited once every half term (for example) and progress measured.

Schools may have their own pre-existing templates, and/or systems such as [Boxall Profile Online](#) or [the THRIVE approach](#) which are already in use in school.

Alternative templates (for a range of ages and stages) can be accessed via the sites listed below.

- [The Strengths and Difficulties Questionnaire](#)
 - The website provides easily downloadable questionnaires and scoring systems for use with school-age young people.
- [The Warwick-Edinburgh Mental Wellbeing Scale \(WEMWBS\)](#)
 - Schools may register (without cost) to use this well-being scale questionnaire.
- [Assessment: Wishes & Feelings Archives - Free Social Work Tools and Resources: SocialWorkersToolbox.com](#)
 - This website provides a variety of tools (questionnaires, feelings faces, feelings charts etc.) which are downloadable without charge.
- [Cafcass resources for professionals](#)
 - This website provides resources such as a wishes and feelings pack, which can be used freely by schools.
