SIAMS Inspection Outcomes

Wreningham CE VC School is 'Excellent' – SIAMS November 2019

We are absolutely delighted to share the outcome of our recent SIAMS inspection of 28 November (Statutory Inspection of Anglican and Methodist Schools). The school has received the highest grading of excellent and the additional judgement (the impact of collective worship) was also graded excellent.

The inspector praised the school in a number of areas:

- The school has an inclusive ethos and is centred in its local community and enables all its pupils to flourish because they know every pupil as an individual yet understand that they are stronger together.
- The school's curriculum enables all pupils to flourish. It is exciting and relevant and provides opportunities for pupils to experience awe and wonder.
- It is an outward looking school and staff are given opportunities through training and development, empowering them to lead both in school and beyond the school in supporting other Church school colleagues.
- Governors work in tandem with the school leadership in a mutually supportive way, to challenge the school to be the best it can be.
- The distinctive Christian nature of the school shines through in all that it does; it lives and breathes its core purpose of working together as a team.

The final report is now available to read on the school website. Our lovely ethos is thanks to the energy, skills and commitment of our whole school community – staff, parents, children and governors.

A new inspection framework came into force from September which makes it far more challenging for schools to achieve this highest grade. In the Norfolk Diocese, we are the fourth school to have achieved Excellent since then.

A huge thank you to all the hard-working staff at school who care deeply about the children here and strive for excellence every day. And also to the parents and children who spoke to the SIAMS inspector and were so positive about our school.
