

# Friends of Wreningham School

## What do we do?

The main function of our Friends of Wreningham School PTA team is to support the school by raising as much money as we can to enhance, enrich and improve learning experiences and facilities for the children. Our aim is to bring the school community and home closer together for our parents to be more involved in the life of their chosen school. Lastly, we're here for the simple reason that we want to get together socially (as much as COVID can allow us at the moment!), meet new people and have fun!
