

Dear Team Class 3,

Hello! Hope you've all had a good week. Just to let you know, this is my final letter to you. I never thought I would write 17 in total! I hope you have enjoyed reading my letters - I wanted to make sure I stayed in touch with you somehow during our time off school and I thought this would be the best way. Myself, Mrs Cameron, Mrs Rees and Mrs Fox want to thank you and your families for all you have been doing throughout lockdown. We know you have all worked very hard in lots of different ways and we're very proud of each and every one of you. Please have a safe, happy and healthy summer and I cannot wait to see all of you back at school in September. Here are some photos from my trip to Africa Alive on Saturday. Take care and big monster hugs!

Sleeping lions... shhhhh!

I wonder how  
long a flamingo  
can stand on  
one leg before  
it gets tired?
