

Dear Class 3,

Hello! Hope you've all had a good week. Here is what I've been up to... take care and big monster hugs!

Picking fresh berries from the garden.
They have not been lasting very long!

Playing board games with my friends
(who have been in the same house as
me since lockdown began!), Mrs Cam-
eron and her family.

Week of 15th June 2020

A day on the beach at West Runton.

Body boarding, rock pooling and soaking up the sun. Fun, fun, fun!

Week of 15th June 2020

It was a super fun day on the beach. I was full of sand though, so Mrs Cameron made me have a wash... spinning around in a washing machine and being hung upside down on the line is not as much fun as you might think!
