Week of 30th March 2020

Making chocolate Easter egg nests. Mrs Cameron tricked me a little because I didn't want to do any school work, but afterwards I realised I did...

Ingredients

225g/8oz plain chocolate, broken into pieces
2 tbsp golden syrup
50g/2oz butter
75g/2½oz cornflakes
36 mini chocolate eggs

[Recipe tips](#) [How-to-videos](#)

Method

1. Line a 12-hole fairy cake tin with paper cases.
2. Melt the chocolate, golden syrup and butter in a bowl set over a saucepan of gently simmering water (do not let the base of the bowl touch the water). Stir the mixture until smooth.
3. Remove the bowl from the heat and gently stir in the cornflakes until all of the cereal is coated in the chocolate.
4. Divide the mixture between the paper cases and press 3 chocolate eggs into the centre of each nest. Chill in the fridge for 1 hour, or until completely set.

Recipe Tips

Shredded wheat or puffed rice cereals can be used instead of the cornflakes.

Literacy: reading
the recipe.

Maths: measuring
the ingredients.
