

Dear Class 3,

It's been lovely to hear from some of you these past few weeks! From reading poetry, to receiving cards in the post, to seeing research on Mary Anning, to being amazed by some of your Viking boats, to hearing how well you're coming along with your reading, to seeing a rainbow made by a garden hose, to so many other things, Mrs Cameron, Mrs Rees, Mrs Fox and myself have all enjoyed seeing and hearing how you have been keeping busy. Please do continue sending messages and pictures via office@wreningham.norfolk.sch.uk and Mrs Cameron will reply as quickly as she can. Take care and sending big monster hugs!

What I've been up to this past week...

Going for walks, including along the Riverside Walk in Norwich.
If you look carefully at this picture Mrs Cameron took, you might be able to see three eggs in the nest!

Week of 4th May 2020

Going for a bike ride with Mrs Cameron. This is the first time in many, many, many years she had ridden a bike, so we're just testing it out on the pavement near her house!

Soaking up the rays in the paddling pool.

Celebrating VE Day!

I helped Mrs Cameron and her family colour in bunting and make scones and sausage rolls. In the afternoon, we had tea in the front garden and celebrated with some neighbours who were sat more than 2m away in their front gardens.

Week of 4th May 2020
