Thurs 15th Feb – Y4, Y5 & Y6 Netball at Wymondham College Prep

Fri 16th Feb – Last Day of Term

Mon 19th to Fri 23rd – Half Term Holiday

Mon 26th Feb – Back to School

Welcome Back! We have enjoyed welcoming the children back to school for the start of the Spring Term and hearing about their Christmas holidays. We would like to express our gratitude for our wonderful Christmas cards and gifts. We

were blown away by your generosity.

The children all did incredibly well at the Christingle service on the last day of term and we raised £12 for the Children's Society from the collection at the end of the service.

On Monday this week, we welcomed back Tania Sidney-Roberts from Rotary International. Thank you to so many of you and your children who brought in gifts for young people in Moldova. The children were presented with a certificate for their kind and generous work in filling the shoe boxes, which began their way to Moldova on 16th December.

Trading Cards: We would like to remind parents that all trading cards (Pokémon, football etc.) toys, blutac, teddies etc. please stay at home and are not brought into school. We would not want the children to lose any of their special treasures from home, which can also be a distraction in class. Thank you.

E-safety in school and at home:

As part of the school's safeguarding and child protection measures, we also take internet safety very seriously and undertake training to support this. Being online is an integral part of children and young people's lives. Social media, online games, websites and apps can be accessed through mobile phones, computers, laptops and tablets – all of which form a part of children and young people's online world.

The internet and online technology provide new opportunities for young people's learning and growth, but it can also expose them to new types of risks. Appended to this newsletter, you will find two flyers which provide guidance on the safe use of YouTube and YouTube Kids, which we hope you will find useful.

Many more helpful online safety guides are available at www.nationalonlinesafety.com/guides

There have been some cases of vomiting this week. We ask that parents keep children at home should they have a fever and for 48 hrs from the last episode of vomiting and/ or diarrhoea.

Bring and Buy Sale:

BRING & BUY

The School Council are pleased to report that they raised an incredible £87.52.

Thank you so much for all of your donations – more details to follow about how they plan to spend these funds.

SALE

SCHOOL MEALS

KS2 School Dinner Payments – our pilot of trialling paying for school dinners through the PupilAsset parent portal has been a great success and this will now continue to be our preferred way of receiving payment for school dinners.

Going forwards, for any future school trips/ visits for which we kindly ask for payment, these will be requested through the portal too and as such, will then be rolled out to the remainder of the school as required. Thank you for your co-operation in using this new system.

Stars of the Week

Class 1: Harriet G

Class 2: Charlie F, Finley

Class 3: Anya, Frankie

Class 4: Boys Football Club Members, Elsie T
