WORLD BOOK DAY

7 MARCH 2024

Little People, Big Dreams – on Monday, all of the children took part in this year's World Book Week Dress Up Day as who they would like to be.

In assembly, the hall was packed with farmers, artists, scientists, vets (and a veterinary nurse) and super-heroes, fashion designers, pilots and Shakespearean characters, an engineer, a palaeontologist, and even an astronaut (complete with rocket!). There was also a teacher and a police officer to keep everyone in check.

Over the rest of the week, some of the children have been creating book covers for books about our characters or dream jobs.

Well done to you all, the costumes were incredible and we hope the children enjoyed the day and rest of the week.

PARENT MEETING

Please remember to book your parent's meeting appointments for 18th, 19th or 20th March via the online system, details of which have been e-mailed to you. **All after school clubs will be cancelled on these days.**

Egg Drop Challenge

The Annual Egg Drop Challenge is back on before the end of term!

- No parachutes or balloons!
- At least ¼ of the egg should be always showing so the children must not completely cover the egg with any material.
- It should be possible to clearly see a part of the egg as it is housed in the design.
- The design must not include changing the egg in any way (no tape or nail polish on the egg!).
- The container must be able to be opened once dropped so that the condition of the egg can be checked!
- The inside materials must be designed to allow a raw egg to be easily inserted and removed.
- The eggs will all be dropped from height outside or in the school hall (weather permitting)!
