Class 3 Residential - last week the year 3 and 4 children went to Aylmerton Field Study Centre in North Norfolk, at the back of the Felbrigg Estate. Along with getting some sleep, the children anticipated in lots of fun and adventurous activities like rock pooling, team building activities and bowling!

The children have given some lovely feedback:

"Den building was my favourite activity because I like being outside and I like building." – Hugo

"George, the 650 year old oak tree, was my favourite because it was really fun climbing through it." - Eadie

"The Monster Trail – we liked it when the monsters squirted me with water. Also liked how we had to work as a team to find all the numbers on the map and the letters in the woods" – Lily and Hermione

Many thanks to all the children for a fantastic few days – they were a true credit to the families and our school.
