Changing the Length of the School Day to meet the DfE's non-statutory guidance of a 32.5-hour week.

Further to the information shared with parents on 19th January 2024, we would like to notify you the consultation period has now closed, for which we had one response that we followed up. The school can therefore formally communicate the changes as set-out below:

These changes take effect from Monday 15th April 2024:

- Class 1 and 2 (KS1) – Children can be dropped off from 8:25AM. **Registration will take place promptly at 8:30AM.**
- Class 3 and 4 (KS2) – Children can be dropped off from 8:35AM. **Registration will take place promptly at 8:40AM.**
- The end of the school day remains the same (Class 1 and 2 at 3PM and Class 3 and 4 at 3:10PM).

For all KS2 children a bell will be rung signalling the children can go in at 8:35AM. Please ensure your child/ren are not left unsupervised on the playground; this is very important from a safeguarding and health and safety perspective, that the adult dropping off their child/ren must wait with them until the bell has rung.

If a KS2 child has a sibling in KS1, then drop off times still remain as detailed above.

Late Arrival

- Children arriving after the registration times above will be recorded as late, using an L code.
- On/after 9:00AM children will be marked as having an unauthorised absence for the morning sessions using a U code.
- Once the school gates have been locked, parents will need to sign their child/ren in at the main reception.

Goodbye!
& THANK YOU

Next Wednesday, we say goodbye to our friend and colleague Nuria Sharp, who is retiring at the end of term. Nuria has been a pivotal member of the team at Wreningham for 18 years, supporting the children, school and parents on a daily basis. Please join us in wishing Nuria all the very best in her new chapter.

As an update to parents, after Easter our school office will welcome a new member to the team, Sue Bingham who will work Thursday and Friday. Elaine Thurlow will be in the office Monday to Wednesday.
