#### SEPT 24

Wed 4<sup>th</sup> Sept – First Day of Autumn Term

It has been a hive of activity in school this week. Alongside the national election we had our very own Wrenningham election in school to find the "Headteacher for the Day". There were 3 excellent candidates and all the children and staff voted after listening to their manifestos. There are also lots of auditions and rehearsals for the Talent Show and Class 4 end of year play. To add to the week's excitement, we had a visit from the NARS Emergency Response vehicle. The children were captivated to learn all about the Responders. Thank you to Mr Maddams for bringing the vehicle in for all to see.

The play trail is currently out of action as the school awaits some remedial work to make it safe. Please could parents ensure no pre-school siblings climb on this before or after school. Thank you.

**School uniform** – Please can we ask you to ensure pupils are not wearing nail varnish, dangling earrings or tattoos in school. Thank you for your co-operation with this.

**SPORT CLUBS:** Please note that the after-school sports clubs run by Mr Hodge and Mr Jones have now finished for this term.

There will be no clubs for the remaining 2 weeks of term as we have lots of other events running – rehearsals, school play, sports day etc.

**SPORTS DAY** Our annual Sports Day will be held on Tuesday 16<sup>th</sup> July. After drop-off you are welcome to head over to the large field opposite the school, with plans to start the games at around 9:15AM.

Once finished, you can join your children for a picnic lunch on the school field and afterwards view their art on display in the School hall. Children can go home afterwards but must be registered out.

**School Lunches first day back** – you will have received an email yesterday concerning school lunches on the first day back next term, 4<sup>th</sup> September. The catering company are running

a "Back to School" menu for the first day back. Attached are the changed menus – jacket potato and packed lunch remain as advertised on the school lunch menu and the rest of the week will be as advertised.

**Annual School Reports** are being sent home via email today, which helps support our Eco School objectives. Should you wish to have a printed copy please let us know. A huge amount of time and effort goes in to creating each report, so we hope you find them informative. Please do come along to Parent's evening on 10<sup>th</sup> July to look at your child's work.

On Wednesday Class 1 had a wonderful day at Bressingham Steam Museum and Gardens. The children were very excited to be going on their first school trip and thankfully the weather was kind to us.

We enjoyed dinosaur spotting on the train ride and then a very exciting trip on the carousel. We got to see lots of old steam vehicles in the museum and even sat in a fire engine that had a very loud bell. We had a lovely picnic together and play in the park before heading back to school. Some of us had a little snooze on the coach on the way back. The children were exceptionally well behaved, demonstrating our seven bees of behaviour and have all been awarded star of week.

By due fair election we are pleased to announce that the winning candidate in our "Headteacher for the Day" election is: **Amelia**. It was a very close run election and well done Laurie and Alfie for putting themselves forward. Congratulations to Mimi, she hopes to run a Treasure Hunt and Teddy Bear's Picnic on the day.

Well done to all the winners of the FOWS' Nature Art Competition – there were some exceptional entries.
