Phew, what a scorcher it has been this week! The children have coped very well – thank you to everyone for sending the children in with sun hats and suncream applied. It has been a busy week for everyone and we have had some wonderful visitors to captivate the children, please see the reports below. Next week we start to see the transition visits for Yr 6 children to their new schools and we wish them lots of luck as they prepare to move to the next stage of education – exciting times ahead for them all. The rest the children will also visit their new class/teachers for September next week.

We have now readvertised the Headteacher position and are inviting prospective applicants to come and view the school. We will update you as the process continues.

Just a reminder – please do not amend lunches after 8am on Monday morning. If you need to change a lunch request please speak to the office Thank you for your co-operation with this.

On Wednesday we had a visit from 2 ladies from the local Norwich RSPCA branch. We had a whole school assembly about the work they do with pets, farm animals and wildlife. We learned how they rescue, rehabilitate and rehome/return to the wild. Each class had a workshop ranging from animal care to habitats, wildlife in our school to the dangers of litter. We all learned a lot (including the adults!) and thanks to everyone's generosity, we were able to make a donation of £66.50 to help with their work.

Berts Amazing Creatures was a great addition to a normal school day. I think I speak for the whole school when I say it was a truly adventurous morning. Bert brought in a variety of animals, e.g. guinea pigs, snakes, hedgehogs and bearded dragons. Thank you Bert.

The money will be donated to the local Cystic Fibrosis group at the Norfolk and Norwich Hospital. Thank you also to the parents who baked, donated and helped with the cake sale.
