We were pleased to have some milder weather this week, so that the children could take part in the greatly anticipated Santa Runs! Class 1 had theirs on Monday, Class 3 on Wednesday and Class 2 and 4 today. They all did great! Thank you so much for all of the sponsorship money received so far – any remaining donations can be handed in via the FOWS box (by Class 2) by Friday 10th February. Thank you.

The children also looked fantastic today coming dressed as 'themselves' and we feel it so important for every child to celebrate their own individuality. Thank you again for all the cuddly and sweet/ chocolate donations. These will all go towards fun and games at the 'Love and Friendship Day' next Friday after school.

Please also remember to return the 'Hearts of Love' by Thursday 9th February, also in the FOWS box (by Class 2) – these will all then go on display next Friday.

Attendance Matters

Every Day Counts...

(During the academic year, 95% attendance = 10 days absence and 90% attendance = 19 days absence – almost 4 weeks missed)

Your child/ren's attendance in school is very important to us and our attendance figures are currently reporting at 94.6% against a target of 97.5%.

The school is unable to authorise term-time holiday since we recognise the importance of children being in school at every opportunity possible.

Administering Medicine to Pupils – please be reminded that should your child/ren require any medicine to be administered during school time, then a Parental Agreement Form **must** be filled in and signed before any medication, pain relief can be given. The forms are available for completion from the office. Children should not be carrying any medication, pain relief, lozenges etc. in their bags and it should all be directed by parents via the office. Thank you.
