It's a week of thankyous!

Lots of exciting things have been happening this week, including Class 3 going on their first residential to Aymerton, they've had a wonderful time and they've been very lucky with the weather!

We received a new shed and we love it! The shed was very generously donated to the school, thank you to all the parents who made it happen!

We've continued to receive voluntary contributions, which will not only help refresh class one, but will help provide new resources to each and every class room for the new summer term, so thank you so much for your help.
