### **Horstead Trip**

Last week, class 4 went on their residential. Everyone had a lot of fun doing the activities. The high wire zip-wire was great and also the climbing wall.

We loved going on a night walk and we saw the milky way. The toast was delicious, and we enjoyed a spectacular talent show. We also took part in archery, canoeing, crate stacking, Jacob's ladder and toasted gooey marshmallows.

### **Jo Lattimore – Parent Governor**

Originally from Dorset, I studied Music at Oxford Brookes University and earned a BA(Hons (Music), where I then went on to work within the education sector for several years.

I made the move to Norfolk around fifteen years ago for a change of career but also because I fell in love with the city and it's been my home ever since. I worked within the NHS for over five years until I had my eldest daughter Amelia who is in yr4 here at Wreningham, followed by Lucy yr2 and then Harriet who is in Reception.

I also help out on the Friends Committee, as a Governor I take on responsibility for RSHE.
