It has been a very hot week and the children are enjoying many activities outdoors. We are finding that lots of children are coming into school without a sun hat so please can you ensure that your child/ren are sent in with a hat, applied suncream and a bottle of water. Thank you.

*Also, if you have any spare children's sun hats, which no longer fit and would be willing to donate to the school, this would be really helpful and help out those children who forget to bring in a hat.*

**Car parking:** further to our concerns raised in previous newsletters, please refrain from parking close to the junction/ outside the front of the school at drop off and pick-up times. The Village Hall car park is available for all to use (which the School pays a hire fee for).

**We continue to re-iterate this message in order to keep you and your child/ren safe on this very busy and chaotic junction. Thank you.**

Please note that this year's school reports will be sent out electronically on Friday, 7<sup>th</sup> July. This helps supports our Eco School objectives, the environment and cost savings for the school.

**LOST AND FOUND**

Two small sets of keys/ keyrings have been handed into the office. If you have lost anything, then please drop by.

Good luck to all of the children involved in next week's County Cricket finals on Wednesday and Thursday. We look forward to sharing the results next week.

**Class 4 Family Lunch:** a letter has been sent electronically to parents/ carers today inviting you, grandparents, siblings etc to Class 4's family lunch on either Thursday 29<sup>th</sup> or Friday, 30<sup>th</sup> June. Please complete the survey within the letter by Thursday, 22<sup>nd</sup> June. We hope you can make it!

The School Council have arranged for Bert and some of his 'amazing creatures' to come into school on Friday, 23<sup>rd</sup> June, which includes a rabbit, rats, chinchilla, royal green python, bearded dragon and crested gecko.

A letter is being sent home today for you to give your permission or otherwise for your child/ren to be involved and to advise of any animal related allergies, which need to be considered.

### Stars of the Week
