Well done to all the children and their siblings who joined in with this week's **Walk to School Week**. You all did an amazing job, whether you came on foot, bicycle, scooter or even pony! Luckily the weather stayed fine all week and we hope that your child/ren enjoyed walking with their friends and maybe even made new friends along the way. There were lots of stickers to collect and a prize will be given next week if more than 10 stickers were collected. Mr Jones and Ms Leader were delighted to join some of the children walking from Ashwellthorpe Church this morning.

Vegan Tasting Day – on Wednesday, 24th May, Norse will be bringing in some vegan products as part of their Devil's Kitchen Vegan Tasting Day. The basis of these products is pea protein and they are free from the top 14 allergens. Children can try these if they wish at lunchtime and give feedback on what they think!

Please ensure your child/ren brings in a named water bottle, sun hat and have sun cream applied when necessary. Thank you.

From Mr Hodge: On Thursday, two teams from Wreningham competed in the Norfolk School Games netball tournament. After a frantic days action, and some incredible fast netball, both teams ran out victorious in their group rounds, winning every match with lots to spare. This meant that for the first time in this competition the two teams met in the grand final, with Wreningham obviously winning both the gold and silver medals. In an act of incredible kindness from our children, the winning team gave up their precious medals and gave them away to the team from Forncett, who could only bring younger year 3 and 4 children to the event. They didn't manage to win any games but Wreningham supported them through the tournament - and helped them score their only net. **Well done to all our great athletes, who won the competition for the 4th time running.**

Well done team!
