From the School Council - Bert's Amazing Creatures:

"On Friday, 23rd June, the School Council planned a Reptile Day. We invited Bert from 'Bert's Amazing Creatures', who brought in a chinchilla, a crested gecko, a bearded dragon, the world's softest rabbit and a royal green python. The children were very respectful to Bert and the animals, which we are very grateful for. We learnt about each animal, their habitat and different facts about each animal. *Did you know that chinchillas can jump 2 metres high? Did you know that there are 3 types of pythons? Did you know that the crested gecko drops its tail if in danger?*

Some of the children overcame their fear and touched the creatures. *We hope the children had fun. The School Council would like to say a big thank you to Bert for coming in."*

Headteacher for the Day:

Congratulations to **Stanley** who won the vote to become Headteacher for the day on Friday, 7th July. The results close between all three candidates and well done to our runners up, Sophia and Flo A.

Trading Cards: We would like to ask that all trading cards, Pokémon, football etc. please stay at home and not brought into school.

The school can not be responsible for any losses or unfair trading. Thank you.

Arctic Explorer Visit:

"Year 1 and 2 thoroughly enjoyed their visit from a real great explorer this week! We learnt so much from Mr Hall and absolutely loved hearing about all his adventures to the Arctic Circle. He then took us outside for a fantastic session on map reading and we all completed an orienteering challenge. It was perfect for embedding all the learning we've been doing in Geography and our teachers were so proud to see us showing off our knowledge.

He's certainly inspired the adventurer in us all and we are very grateful for the contributions that allowed us to participate in this great opportunity. We hope to invite Mr Hall back to work with us again and across the rest of the school in the future."
