1	anonymous	This is just a test
2	anonymous	Never experienced bullying so do not know
3	anonymous	Wreningham has been a wonderful school for my daughter. She is always happy to go in the mornings.
4	anonymous	My child has not had any issues with bullying so I would not be able to comment on how this would be dealt with - however, the fact she has not had a problem is a good thing!
5	anonymous	I would like to say that Wreningham is and continues to be an excellent choice for my son and I am very pleased he attends.
6	anonymous	The communication from the school is very good but there is a lot of information and a lot of events (which is fantastic) but having calendar links in the newsletter so events are added to our diary would be extremely helpful
7	anonymous	All three of our children have thrived at Wreningham School. The teachers are the school's best asset - all of them go above and beyond to give the children an excellent education and broad horizons.
8	anonymous	Overall we are very happy with the school however we would love to see some more variety in options for after school clubs rather than just sport. My daughter would really enjoy creative clubs like lego, art and wildlife etc.
9	anonymous	Both of our children are very happy at school and enjoy going. Their learning progression has been evident during this academic year, particularly noticeable with our son who is in reception. The school recognises when some extra support may be needed and addresses this well. The sporting opportunities are fantastic and the tournaments which the children can attend are superb and well organised - we are big advocates for this. The teaching staff are an asset to the school and are always approachable, along with Mr Jones.
