Understanding Your Child's Behaviour

A Solihull Approach Group for Parents and Carers

Would you like to learn more about your child's development? Would you like to understand more about the ways children behave? Do you know why children have temper tantrums or sulk? Would you like to meet other parents or carers with children of a similar age?

We will be running a 10 week course on Wednesday mornings at: The Bungalow, Robert Kett Primary School, Wyomndham. **The course will start on 9th January 2019.**

The course is for parents and carers of primary school aged children, and will cover anger, sleep, child development, parenting and more...

The course is free for Wyomndham Cluster families. If you are interested in finding out more please pick up a leaflet from Wreningham School office or call/text Tina Bell on 07595 221240 01953 609783 or email mrs.bell@robertkett.net.uk

Friday 23 November the school will be serving **bacon sandwiches and coffee in the school hall from 8.10AM**

This is open to everyone!

We will open up the library and encourage parents to have time to share a book with their children. We hope that providing a space in the library with coffee, tea and a bacon sandwich will help parents to find twenty minutes in a busy day to listen to their child read.

Children In Need is next Friday 16 November and is a Non-school uniform Day. Children can donate 50p and wear their home clothes.
