Homework from 15th January 2026 - hand in on Wednesday 21st January

-  Year 5: **You must attempt** at least all of green question at the start of the year
-  Orange questions may look trickier at the moment but you can challenge yourself to the ones you think you can try.  
***(it won't be long before you too can easily tackle these !)***  
Those year 5s who feel confident, can push on and attempt any purple you think you can tackle..  
**To give you an idea of time - year 6s can mostly do everything in about 30 to 40 minutes now. This is your aspiration.**  
Over the week, don't spend more than an hour on this, but do spend quality, calm, focused time.

-  Year 6 - the whole lot in 30 minutes is your target.  
Finish them all, but mark where you got to in 30 minutes.

**Try your best and see me on Monday or Tuesday if YOU HAVE ANY PROBLEMS - We can fix anything together!**
