**Adopting A Polar Bear - ECO Council Message** The school Council had a vote on which endangered animal to support. The winning vote was to adopt a polar bear. We received a welcome pack with facts about polar bears and a soft toy of the animal adopted.  
**DID YOU KNOW?** Polar bears' fur appears white or yellowish, but the hairs are really translucent or see-through. The hairs reflect the light which our eyes see as white. Their skin is black – but only the skin of their nose is visible. By Emily Jones- Eco captain

**Class 1 Stay & Play is next Thursday 2 May! We are having a spring scavenger hunt, planting and painting!** We are finding about life cycles of plants! Please come and join us next week.

**The cost of a school dinner has increased as from the start of this summer term.** Norse has raised the price of a school dinner to £2.30. Please put dinner monies in a sealed envelope, with the child's name and with the total amount enclosed. Collection of dinner monies is each Monday.

**Scholastic Book Club – any orders should be returned by Fri 3 May.**

**The school has sent home today its plans for 2019 -2020.**  
**This is a child friendly version of the detailed School Development Plan that is completed each year.** The plan follows the financial year, April 2019 to March 2020 (so that the school's allocated budget each year is aligned to its development). The SIDP 2019-2020 can be found on the school website.

**Parent Voluntary Contribution Scheme Thank you to the many contributions we have received.** Some parents chose to pay £5 each term and so this is a reminder at the start of the new term. The funds are used on resources for the children including art equipment, sewing club materials, coloured paper, paint, glue, pencils and everyday classroom resources.

**Stars of the Week**
