

Class 3's Home Learning, week beginning 29th June 2020

Maths - Year 3

For maths this week, we will be following the White Rose Home Learning Scheme.
<https://whiterosemaths.com/homelearning/>

The screenshot shows the White Rose Home Learning website. At the top, there is a dark blue header with 'Home Learning' on the left and 'Home / Home Learning' on the right. Below the header, there is a main content area. On the left, there is a section titled 'Summer Term Plans' with a description: 'White Rose Maths in partnership with the BBC Bitesize Daily team has developed a 12-week learning programme for the summer term. This scheme is designed to help children be ready for their next year of school.' Below this description is a button that says 'Click here for more details'. On the right, there is a vertical menu with a dark blue header 'Home Learning' and several teal-colored buttons: 'Summer Term', 'Easter Fun', 'Home Learning - Early Years', 'Home Learning - Year 1', 'Home Learning - Year 2', 'Home Learning - Year 3', and 'Home Learning - Year 4'. A yellow arrow points from the text 'Now, click on the 'Home Learning - Year 3'.' to the 'Home Learning - Year 3' button in the menu.

Summer Term - Week 9 (w/c 22nd June)

Lesson 1 - Right angles in shapes

Annie is facing east.

She turns one quarter turn.

What direction could she be facing now?

South

How many right angles has she turned?

07:11

You will find the videos for each day on this webpage. Activities and answers for each day are on our Class 3 webpage.

The activities are not divided into challenges.

Just do as many questions as you can.

I have included some reasoning and problem solving questions for those of you who would like a bit more of a challenge.
